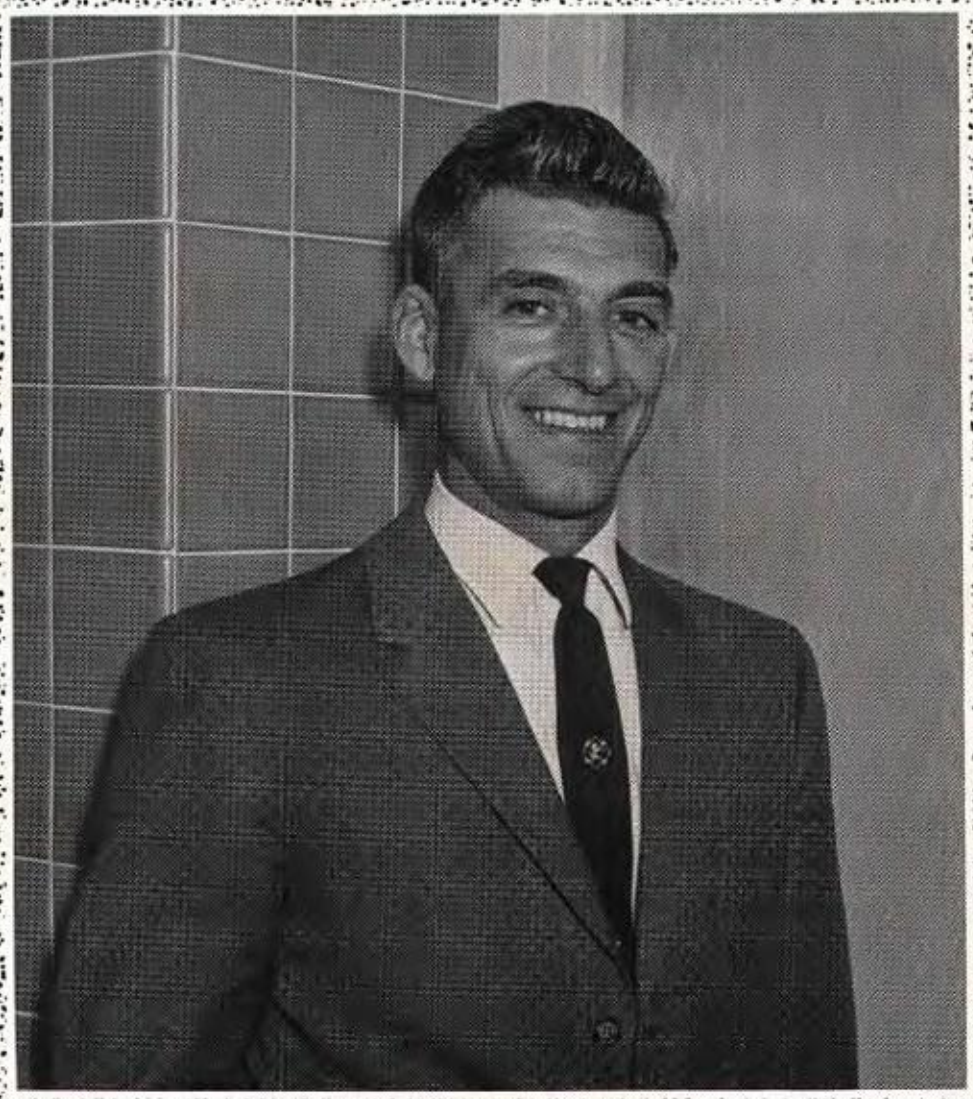
MR. JOHN ARDELT



There is one teacher, advisor, and friend whose interests lie in the happiness of those about him. The story of the life of the students at Lancaster could not be complete without his spirit and comradeship which does so much to weld into a harmonious whole, the varying concerns of those who pass through the portals of this high school. As youthful in spirit as any student, he combines rare and sympathetic understanding of our problems with the wisdom of experience.

Thus, it is to you, Mr. Ardelt, whose work has brought you into close, friendly contact with many students, that we, the class of 1965, respectfully dedicate this Golden Arrow.

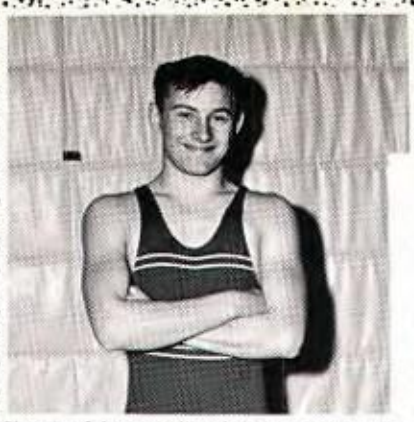
Tournaments



John Schindler

The tournament season brought a few surprises to area fans this season. Lancaster provided its share of these "surprises".

In wrestling, Dennis Griffis and John Schindler advanced further in tourney action than any previous Lancaster wrestlers. John, after losing a close match to the second place winner, dominated the consolation round in his weight class and gained third place in the regional. Dennis, after winning the regional championship, became our high school's first state tournament representative.

Basketball continued to be just what it was all season; a team scrapping and hustling its way to the sectional tournament. Our team gave us much to be proud of--and indeed we are!
